## The matrix has you!

0 | September 6th, 2010 | Posted in [3D Comics](#)

Ok, we're back to the FUCKtrix 😊 This [3d porn](#) series shows two scenes from the same episode. The first one is about a girl who finds herself in the same room with a cute black chick, who later turns out to be her old friend. Illusions have darkened her mind, and now she's not even sure this world's all real... The second scene tells us of a naked boy that escapes from the drones at the Network core. They're kind of seeking him with an ELECTRONIC DOG, man 😊 Laughed there, too. Anyway, a good story told us there, and a nice styling, too.

## By the gods!

0 | August 29th, 2010 | Posted in [3D Comics](#)

Humm, I've never been to Rome. Have you, guys? To be honest, I've never even read of it. The few things I know about it is from [3d porn comics](#) 😊 So meet our boy, who is thought to be Hermes – the god from mount Olympus (but he's not, tell ya 😊). So he's supposed to be a slave of a pregnant chick wearing toga – yeah, that one. But she doesn't treat him like a slave – she wants him to be her lover! Yeah, babe, give all your gifts to her, man! She jumps on top of him so hard I thought she's gonna squash him 😊 Nice episode for those who love pregnant chicks.

## Little slut

0 | August 20th, 2010 | Posted in [3D Comics](#)

Oh. Man! Where'd I get THIS one? I can hardly remember... A little girl that seems only 12 (shit, won't I be busted for cp here? 😊) behaves like a mature slut, unzipping her friend in the shed. She's young but her mouth pumps that guy's dick like a well-oiled sex machine, I tell ya! Everybody is surprised – everybody except her 😊 Nice one, folks, that [3d porn](#) is one hell of an entertainment! Enjoy the wonderful artwork and the funny story as I'm off to bring you more!

## The saint relic

0 | August 12th, 2010 | Posted in [3D Comics](#)

Hahah, another [xxx story](#) I've got right here on my blog! Hey, folks, remember the stories about ancient relics and all that stuff? Then check this one out! Two mulattos search for some relic in an ancient temple and meet a mighty knight in shining armor. He tells them that

what they seek is not an artifact – it's something that belongs to a man, something that is very close to him... Get it? 😊 Lol, I laughed so fucking much when that mulatto guy got his dick attacked by a fire lightning! All blame on that mysterious knight, folks 😊 Yeah, that mulatto chick with stretched boobs was rather surprised, too. Anyway – you are welcome to watch it.

## Flesh farms

0 | August 4th, 2010 | Posted in [3D Comics](#)

Wha'd ya know! Never thought of women as of flesh farms... But actually it's what this 3d sex series is all about. A girl gets captured by a robot who wants to use her for the production of so-called bioenergetical batteries. Oh well, as always, the poor girl can't resist the powerful cybernetic organism 😊 So we'll soon see many nasty things that will be done with her 😊 An interesting storyline of this [3d porn art](#) is its best feature, IMHO. See for yourself – just click that damn picture already 😊

## Sweet dreams

Look at that 3d porn. Who's that? Well, it's a woman. What is she doing? Ummmm... Nothing, you know. She's just lying in bed, sleeping like a baby. But what's that? Some sort of blue smoke appears from the window! It silently crawls to her bed and sneaks into her pussy and ass! That's some kind of a spirit, who wants to rest a little inside a female body. Suddenly the girl wakes up! And look at her – she's all wet! Wondering what has happened she walks around a spooky house. Something's definitely wrong here... My recommendations – an unbelievable atmosphere and nice style, this [xxx comics](#) earns an "A".

## Arcadian outpost

3d sex episodes are my hobby for a long time, already. And I won't get tired of seeking for new episode and sharing them with you on my [xxx cartoon](#) blog 😊 So now I have a new series. It shows us a group of men wearing strange protective suits, who convoy a naked girls with huge boobs to a safe place. By the way, those suits reminded me of the Manhunt game – the director had security that wore almost same things, including those red gleaming goggles. Alright, now one of those men and the busty girl remain in the same room all alone. Guess what's gonna happen next 😊

## Virgin princess

0 | July 11th, 2010 | Posted in [3D Comics](#)

Once again we're back to the old times when kings ruled the country and there was a place for a wonderful adventure! A [lovely toon](#) princess has just reached her adulthood and wants unleash her virginity. Her father has chosen her a prince, but our little girl is much more interested in women! So she invites a brave heroine, whom she heard about, and asks her to... Umm.. TEACH her sexually 😊 Something tells me that study will be the hottest one I've ever seen! Seriously, if the school teachers were that pretty and taught that good, I'd never graduate! But those are just dreams... Alright, all I have left is to watch this 3d porn with ya 😊

0 | June 24th, 2010 | Posted in [3D Comics](#)

Yeah, I love when those babes dressed in black latex fight each other! Look out, one of them has got a gun!! But no – the second one manages to knock it out, and strikes her enemy in the head. Now the way is clear, and she can continue her expedition and get to an ancient skull, which contains magic powers! But wait! Who's that little guy over there? Why, that's a native of that place! The only way to get rid of him is to show what a REAL blowjob is! Yes, babe, suck it good! Never seen that 3d [porn comics](#)? You'd better hurry up 😊

0 | June 15th, 2010 | Posted in [3D Comics](#)

And another 3d porn from Epoch – a marvelous 3d artist, let's all thank him for his work 😊 Our Kendra wakes up in her room at Freehope, and she has a long day to pass... But first she must take a shower! Yes, she's gonna wash her tender body in ugly, almost green and oily, but at least hot water. [Naked toon girls](#) is what Epoch does perfectly – you can naturally feel every flex of the gorgeous female bodies! And the textures add a perfect realism to the pictures, too. ## Defending the weak

0 | June 7th, 2010 | Posted in [3D Comics](#)

Oh, why does Kendra happen to be in some shit any time she walks past the warden or a guard? This time she sees Mead trying to fuck a little cuttie in the lockers room and hurries to rescue her. But she never thought she's gonna be in her place! The mad guard throws her on the floor and rips her panties. Now he's gonna nail her to the lockers and do her from behind with his giant hose as hard as he can, so that she wouldn't dare to intrude into his business! As he finishes, he's gonna grab her hands and [fuck](#) her mouth until his cum explode down her throat! Yeah, that's the lesson for her – never screw up with Mead! (Liked that series VERY fucking much, choosing it my favorite for now 😊).

0 | May 21st, 2010 | Posted in [3d Lesbians](#)

Yeah, got it! Remember the nice realistic series about two beauties, one with a gun and a cigarette? Now I've got that one with some lesbian stuff! Finally they began doing things I can call a true [3d fuck](#)!

So here they are – sitting naked in the same room, looking for some fun. The redhead finds a strap-on, and now she's off for some pussy ramming! Hell yeah, it's been a long tome since that brunette fucked a guy. But no problem – our Red will give her everything she needs! A truly wonderful lesbian porn, I should say. But a very short one – as they finish, the beeper on the table drives their attention, and... And they move on, as the story continues! Remember – it's not only 3d porn, but a 3d comix either 😊
